# Hands On Art Summer Art Camp 2017

This program is designed for 3-15 year olds and will be held from 9:00 am to 1:00 pm, Monday through Friday. We encourage the children to try a variety of different art mediums. We place great emphasis on the process of making art, not just the final product itself. For a more detailed description of the program, please visit us at our website: [www.njerismorningglory.com](http://www.njerismorningglory.com)

Some of the art activities we offer are:

- Clay projects involving sculpturing, the use of a potter's wheel, slab work, extruding and paper clay.
- Textile activities includes fabric painting, hand sewing and machine sewing.
- Weaving with a loom to create table runners and vests.
- Cooking activities such as baking and making preserves and jam.
- Glass Fusion to create decorative objects of art.

Please complete the registration form to secure your place in this summer's program. Once we receive your registration, you will receive confirmation of your enrollment.

The Hands-On Art Program runs 13 weeks beginning the week of June 5th, 2017 through the week of August 28th, 2017. The last day of camp is September 1, 2017.

**OUR AFTERCARE PROGRAM** will include rollerblading and scootering and goes from 1pm to 4pm. Children should bring proper gear including helmets, elbow pads, knee pads and skating gloves, as well as lots of water and extra sunblock.

By request early drop-off starts at 8am at a rate of \$10/hour. Three or more children must participate.

If your child is in aftercare until 4pm, please make sure they have extra food or snacks.
