## **Hands On Art**

### **Spring break Art Camp 2015**

This program is designed for 3-15 year olds and will be held from 9:00 am to 1:00 pm, Monday through Friday. We encourage the children to try a variety of different art mediums. We place great emphasis on the process of making art, not just the final product itself.

For a more detailed description of the program, please visit us at our website: [www.njerismorningglory.com](http://www.njerismorningglory.com)

Some of the art activities we offer are:

- Clay projects involving sculpturing, the use of a potter's wheel, slab work, extruding and paper clay.
- Textile activities includes fabric painting, hand sewing and machine sewing.
- Weaving with a loom to create table runners and vests.
- Cooking activities such as baking and making preserves and jam.
- Glass Fusion to create decorative objects of art.

Please complete the registration form to secure your place in this summer's program. The forms must be completed and returned to us a week before your class start. Once we receive your registration, you will receive confirmation of your enrollment.
